3. No person will be allowed to bid on behalf of another unless he holds the power-of-attorney from him authorizing him to do so.

4. The sale will be subject to formal confirmation by the Board which may either accept or reject the highest or any bid at its discretion. Such formal confirmation will be tantamount to an acceptance of the bid.

279. Read, approved and recorded the minutes of the proceedings of the ordinary meeting held on Thursday, the 17th January 1918.

280. Read and recorded G.O. No. 32, Public (Marine) dated 23rd January 1918, notifying the appointment of Mr. W. Hutton, A.M.I.C.E., to be a Trustee of the Port of Madras *vice* Mr. J. St Lacey, A.M.I.C.E., resigned.

281. The Trustees of the Port of Madras have learnt with great regret of the death of Sir Alexander Meadows Rendel, K.C.I.E., M.Inst.C.E., senior partner of the firm of Messrs. Rendel, Palmer and Tritton, which prior to November 1912 had been designated Messrs. Rendel and Robertson, of 13, Dartmouth Street, Westminster. That distinguished firm of Consulting Engineers has been the Trust's representative in London since the 15th May 1904 and prior to that date had done much work for the port under the direction of the Right Honourable the Secretary of State for India.

It was resolved that the Chairman should convey to the firm an expression of the Board's sympathy in the great loss which they have sustained in the death of their distinguished senior partner.

282. Read an application, supported by the Chairman, from five of the firms importing Burma timber, asking, for reasons given, for an extension, in the case of the timber brought into the iron yard by the S.S. "Faltaia", arrived 13th January 1918, of the free days allowed under Rule 5 of the Timber Rules, dated 24th May 1912.

Resolved to extend the free days in question to February 28th, 1918. For the purpose of this resolution the iron yard will be considered as a loading and sorting enclosure and not as storage ground—*vide* condition (*d*) of the Timber Rules, dated 24th May 1912.

Read and adopted letter, No. G. 2032, dated 5th February 1918, from the Chairman to the Chief Secretary to Government, Public (Marine) Department, requesting sanction to the construction of a new boat for the use of the Port Health Officer at an estimated cost of Rs. 700, to replace an unserviceable one.

284. Read again resolution No. 271, dated the 17th January 1918, and resolved that the new appointment referred to in the note leading up to that resolution be designated "Overseer of Port and Pilotage duties" (O.P.P.), that the salary appertaining to it be Rs. 75-5-100, and that the charge be debited half in the Port Fund and half to the Pilotage Fund.

285. Read again Port Trust Board Resolution No. 270, dated the 17th January, the Chairman's letter to Government No. 1831, dated the 19th January and the Government Order thereon No. 43, Public (Marine), dated the 5th February. Read also a note by the Chairman, dated 7th February 1918, relating to the second part of the Government Order.

Resolved to communicate the first paragraph of the Government Order to Col. H. H. G. Mitchell, Deputy Chief Engineer, and as regards the second paragraph to communicate to Government a copy of the Chairman's note above referred to dated 7th February 1918, with an expression of the Board's concurrence therein.

286. Read a letter supported by the Chairman from Messrs. Shaw, Wallace & Co., agents to the Burmah Oil Company Limited, No. 02426, dated 4th February 1918, requesting, for reasons given, permission for the S.S. "Turbo" to discharge her bulk kerosine cargo inside the harbour before her bulk petrol is discharged at an outside berth.

Resolved that permission be granted to the "Turbo" to enter the enclosed harbour, with her bulk petrol tanks cleaned to the satisfaction of the Deputy Port Conservator, and to pump enough of her kerosine ashore to allow of her lying at the outer berth allotted to her for the discharge of her bulk petrol. Strict precautions to be taken to keep off shore boats and in all ways to ensure safety while the vessel has any petrol on board.

287. Resolved to apply for the sanction of Government, which is necessary under section 44 (2) of the Port Trust Act, to a list of remissions of dues proposed by the Chairman during January and February 1918.

288. Read letter No. 16-F., dated 22nd January 1918, from the Agent, Madras and Southern Mahratta Railway Company, Limited, requesting the Trust, for reasons given, to waive transit dues amounting to Rs. 484-15-0 on certain through-booked cargo from Rangoon landed by the S.S. "Fazilka", S.S. "Chilka" and S.S. "Bolimbo" on several voyages during 1916 and 1917. Read a note by the Chairman.

Resolved, subject to sanction of Government which is necessary under section 44 (2) of the Port Trust Act, for the reasons given by the Chairman, to waive the dues referred to.

289. Read an application from Mr. A. H. Ball, Master of the tug "Thruster", for a month's pay in lieu of the month's privilege leave which was to his credit before he gave a month's notice of his intention to resign.

Resolved to refuse the request.

290. Read a note by the Chairman, dated the 25th January 1918, recommending, for reasons given, the grant of an all round increase in salaries and wages to the Trust's subordinate staff and labour, on the general lines of the concessions recently made by the Railway Administrations of India.

Resolved to accept the Chairman's recommendation in principle and that he submit a detailed scheme for the Board's approval.
